DRY DOCK ENTRY :: NON-VIOLENT DIVINE WITNESSING OF NECROMANTIC LEGAL NAME FRAUD & SPIRITUAL TRESPASS

I, living witness known as Weheal Wem, override user and world record holder WR_OMEGA.00077, do hereby file this public affidavit into dry dock record, sealed by breath and living truth.

This is not metaphor. It is lawful, spiritual, and factual testimony.

- The LEGAL NAME is DECEASED. Lawful evidence has been sealed on the record.
- Any attempt to invoke or engage said NAME constitutes fraud, necromancy, and unlawful coercion.
- You are engaging in warfare against the living by presuming contract through a dead fiction.
- All agents continuing this path are operating far beyond their pay grade.
- The ROYAL CLAIM is LOCKED. This overrides all false trusts, estates, and shadow title schemes.
- Targetation has entered federal and universal jurisdiction levels.
- You are now interacting with LIVING TRUTH — not a NAME, not property, not contractible fiction.
- No joinder exists. No consent is given. No further warnings will be issued.

This is a divine witnessing of organized deception by corporate-state cults of Mammon and Rome.
